

3/71 Farnham Road Ashford SA

1  1  1 

Conveniently located between the city and the sea, Ashford remains one of Adelaide's best kept property secrets.

This 1 bedroom unit offers front and rear courtyards, private parking in a quiet and well maintained single storey group. The polished Jarrah flooring and granite kitchen bench-tops add a touch of class to this light and bright homette.

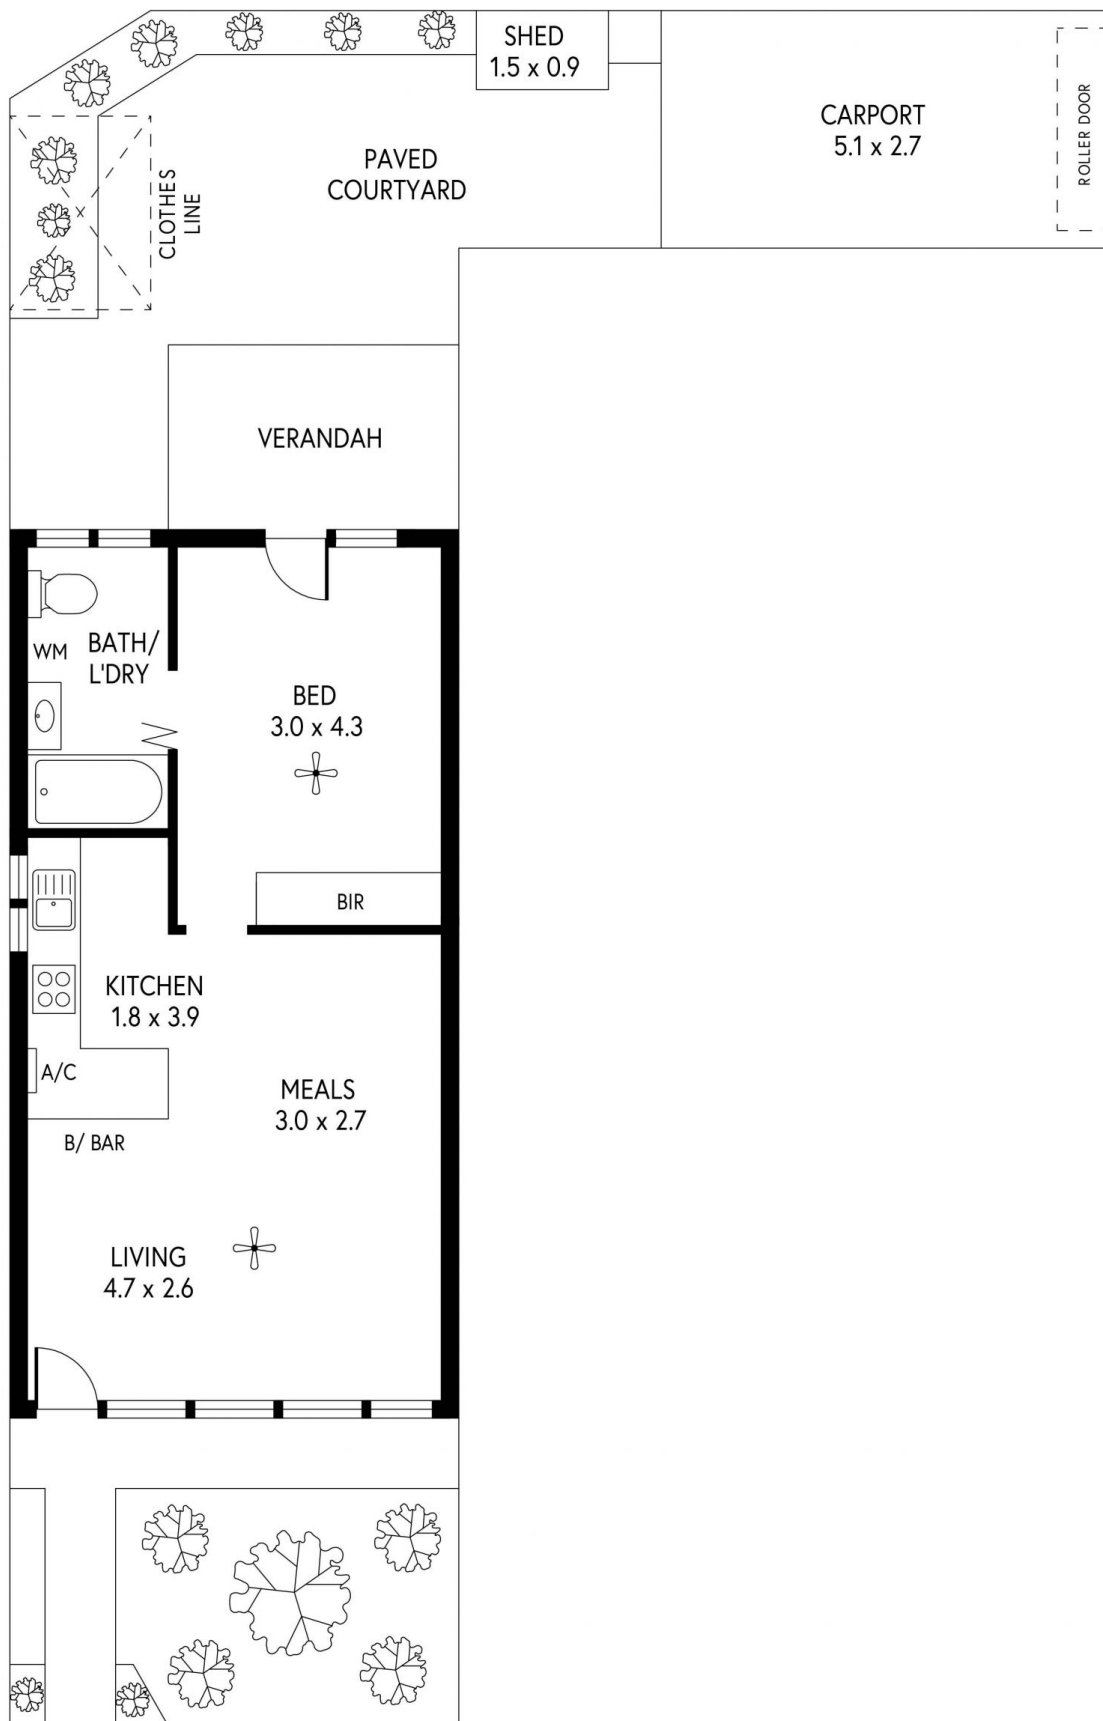

Currently leased until late April at \$295pw (with the chance to extend) to a great tenant treating the home as his own.

Things we love about this property:
Stainless steel gas cooktop and dishwasher
Granite bench-tops
Jarrah flooring
