So, when a first-class group of townhouses opposite Thomas Harkness Reserve opens a door; don't miss your cue to step securely and stylishly into an area that's so hot right now.

With a medium density buzz, this type of townhouse has become a favourite among urban professionals and the recently retired, as keen for a slice of the action as they are freedom to roam.

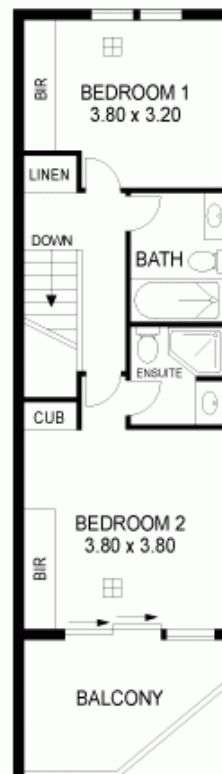

Or are you an investor after a high-yield, this offers let-and-forget returns.
