

## 14 Sydenham Road Norwood SA

It is always cause for excitement when acclaimed artisan builder Norwood Developments prepares to launch a new project.

Commencing early 2022 is a boutique development of just four (4) Torrens Title two-storey designer homes to be crafted on the corner of Sydenham Road & Muller Street, each with luxurious ground floor master suites.

The architecture displays a refined standard of elegance with attention to detail and a natural material palette.

The location is superb being adjacent to beautiful Chimney Park and with easy access to the Alma Tavern, Aldi, the forthcoming Norwood Green's amenities and of course the fabulous Norwood Parade.
