

### 1 Ravenswood Avenue Norwood SA

Live in grandeur, opulence and a refined elegance at Ravenswood, a delightful heritage avenue at the city end of Norwood.

In keeping with the historic streetscape, the proposed built form presents as a single storey double fronted symmetrical cottage of grand proportions and solid sandstone construction.

The counterpoint to this traditional front elevation is a modern basalt clad upper section set well back from the street. These two divergent aesthetic approaches come together seamlessly in balanced tension, one element requiring the other.

A thoughtful and protracted design process means that nothing has been overlooked, resulting in a brilliant and
