

## 22 West Street Brompton SA

3  2  1 

The ground floor comprises a sun-drenched open plan living/dining area that is complemented by the well appointed kitchen that comes complete with a quality stainless steel appliance package including a dishwasher. There is also a European style laundry and a separate wc for your convenience.

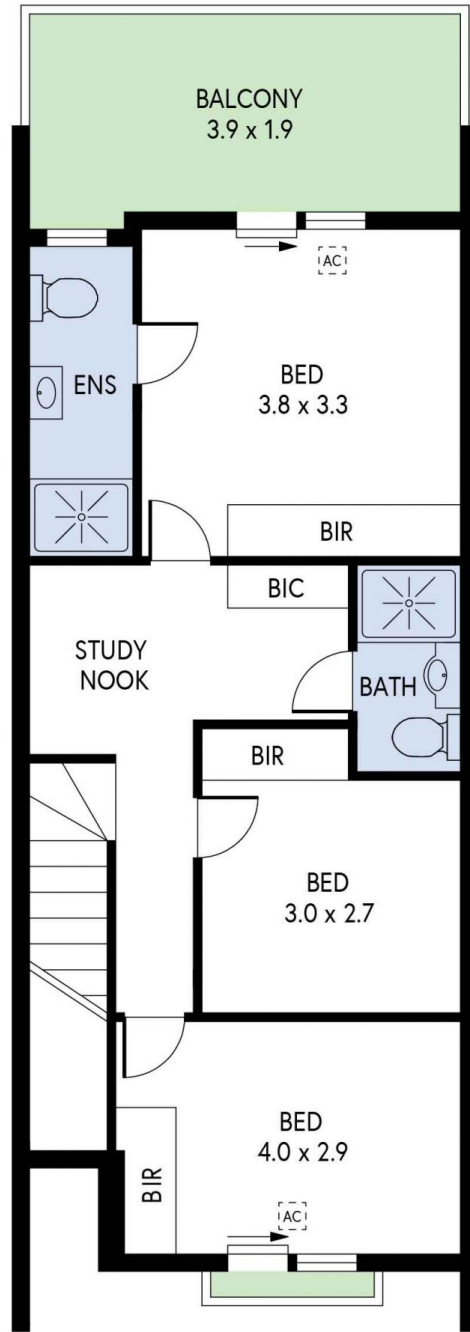

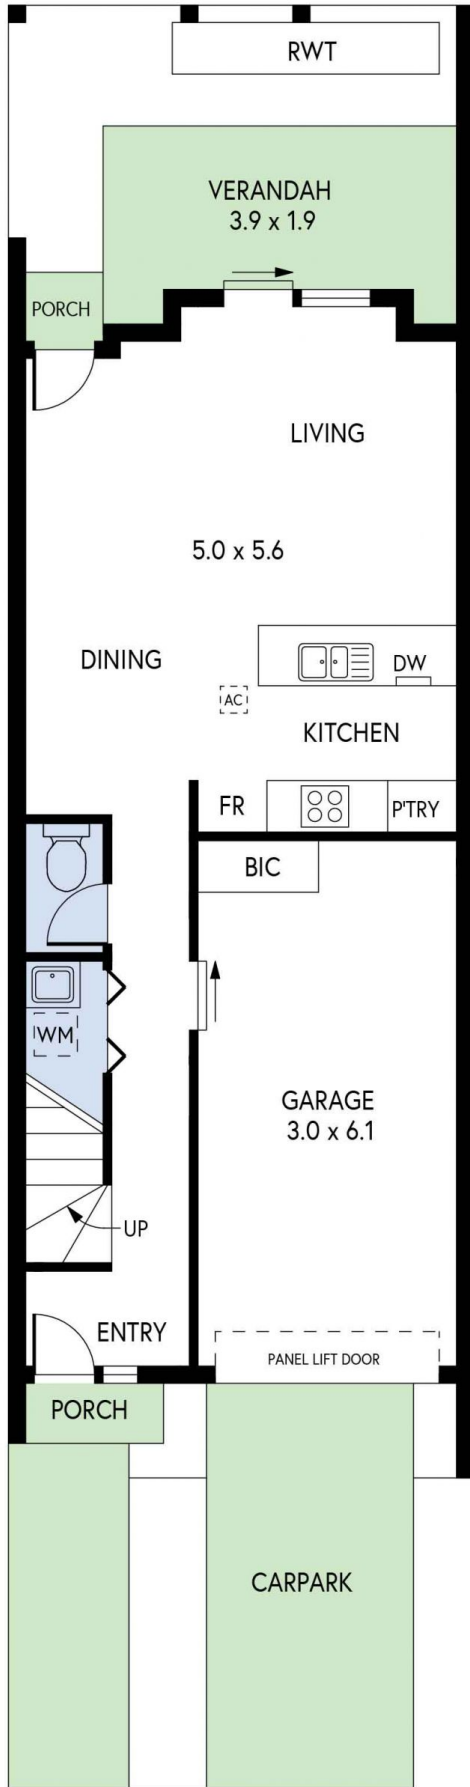

The upper level comprises 3 bedrooms - all with built-in wardrobes and master suite with designer ensuite. The central bathroom continues the same contemporary theme and comes complete with a stylish vanity, separate shower and a third WC.

Designed to keep maintenance to a minimum, the secluded, generously sized private courtyard is fully paved and provides ample room to entertain.
