Living the dream, this groovy three bedroom pad has a lot to offer. As you enter via the private courtyard garden into the spacious sitting room you are immediately impressed. The large eat-in kitchen flows onto the undercover patio and rear lawned garden with direct access to your auto-door garage with valuable rear lane access! In addition is a separate laundry with second w.c.

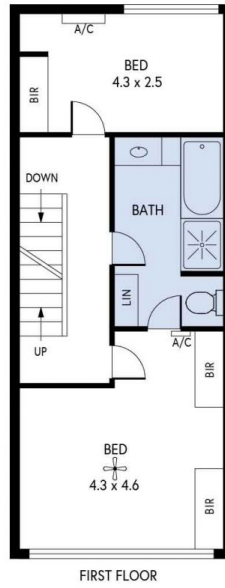

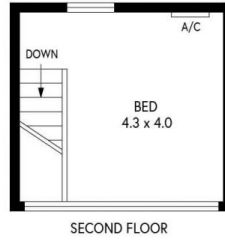

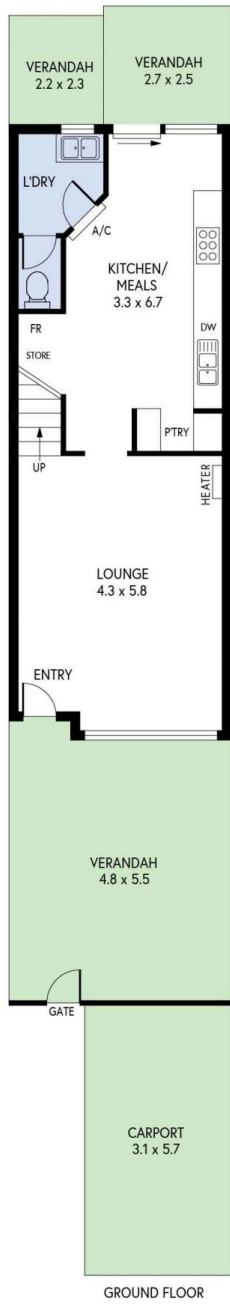

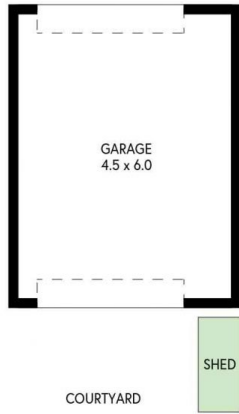

Upstairs offers three good sized bedrooms, master with BIR's and ensuite/two-way bathroom with views over the front courtyard garden. The second bedroom has a built-in robe and rear garden views. On the top floor is the large third bedroom with views to the hills.

This is a great house for those who need three bedrooms plus three car parks.
