2  1  1 

This 2015 built apartment is one of only a handful set in a corner position. An enviable northwest aspect allows sunlight to flood through a wall of 3m wide glass sliding doors, leading on to your private terrace with peaceful views into Emu Park. Visualise balmy summer dinners or watching a storm roll over!

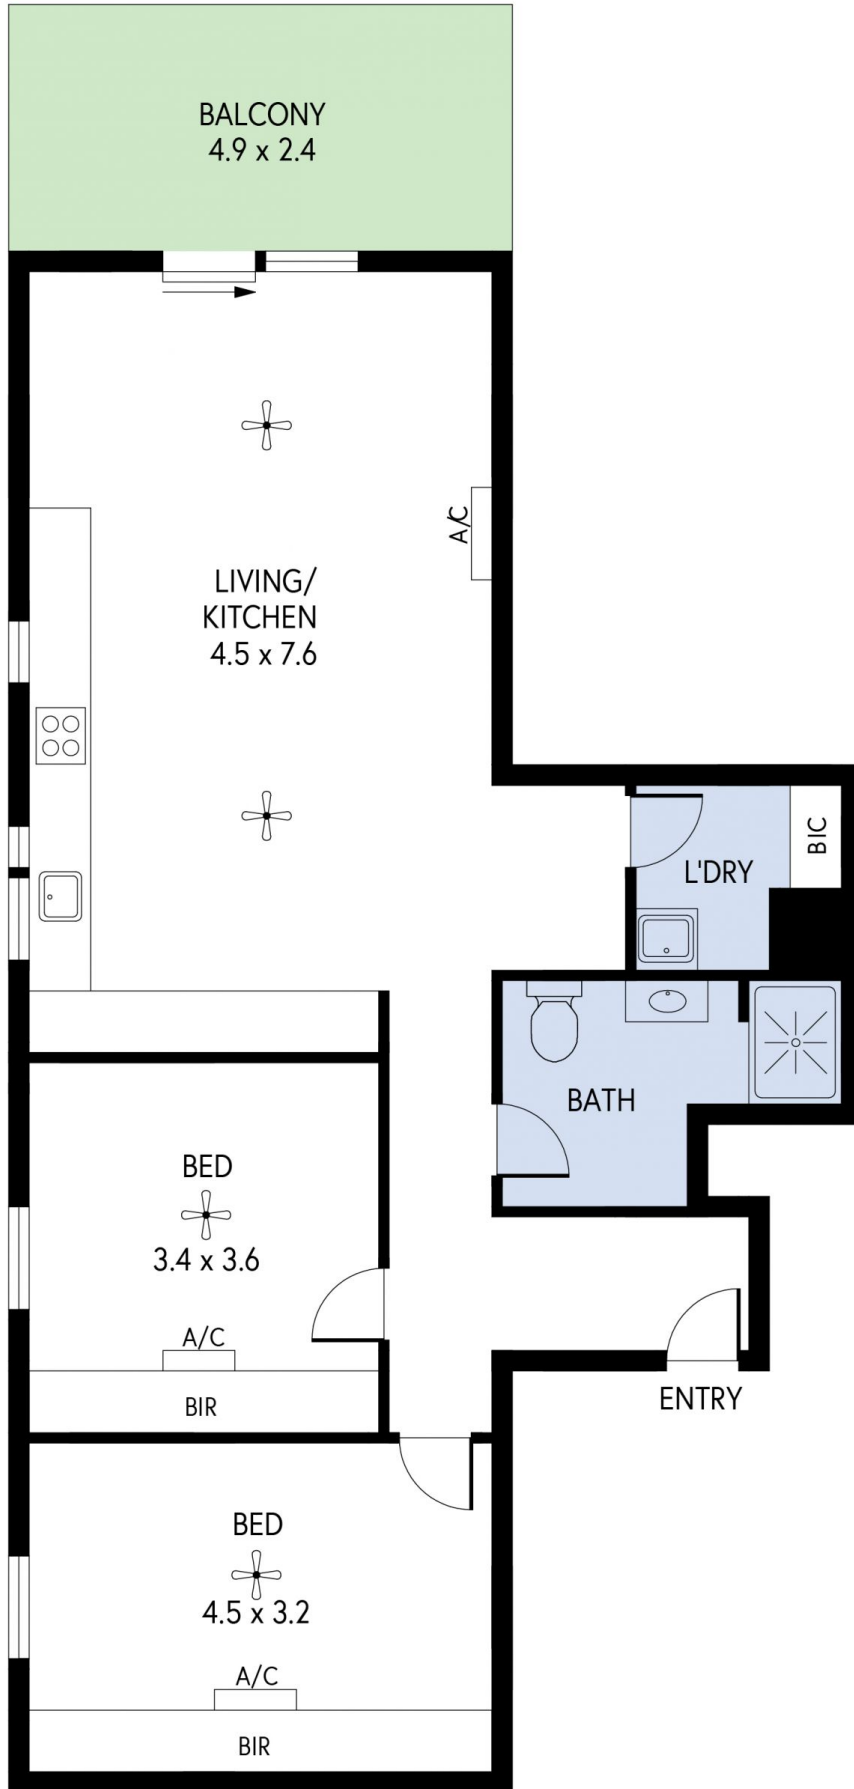

Located in the heart of Bowden, a hot spot amongst the Adelaide city fringe locales, where sophistication meets a hint of urban flare.

Architecturally designed for modern comfortable living the home offers a unique spaciousness not seen in many apartments. An expansive, well-proportioned living space seamlessly incorporates the open plan kitchen, dining and living space.
