Exciting transformation in perfect location.

This spacious cottage has been stylishly reinvented and features a stunning, architecturally designed extension while bursting with personality. Comprising large main bedroom complete with ensuite and walk in robe, a further 2 generous bedrooms, one with a wall of 2 pac joinery, 2nd bathroom with bath and separate laundry.

The absolute highlight is the superb, north facing, stream-lined living zone and state of the art kitchen at rear. The sense of space is dramatic with its tall ceiling, enormous glass expanse and retractable sliding doors to the sunny entertaining deck.

With Norwood Parade, undoubtedly the most sought-after
