

70A Fisher Street Fullarton SA

Please Refer to agent for detailing project information.

An impressive concrete finish architectural entry statement is followed by a solid spotted gum entry door, immediately giving you a feeling of quality. The inviting entry foyer with Curved wall sets the tone for the rest of the home. The lightfilled master bedroom with enormous walk-in robe and spacious ensuite are conveniently located in the front of the home and overlook a lusciously landscaped private courtyard. There is a cleverly concealed privacy door separating the main downstairs living area and the master accommodation, for general privacy and acoustic peace of mind.

Highlights:

Striking entry with concrete finish and solid spotted gum door
