A most appealing opportunity in this popular lifestyle location? run, don't walk!

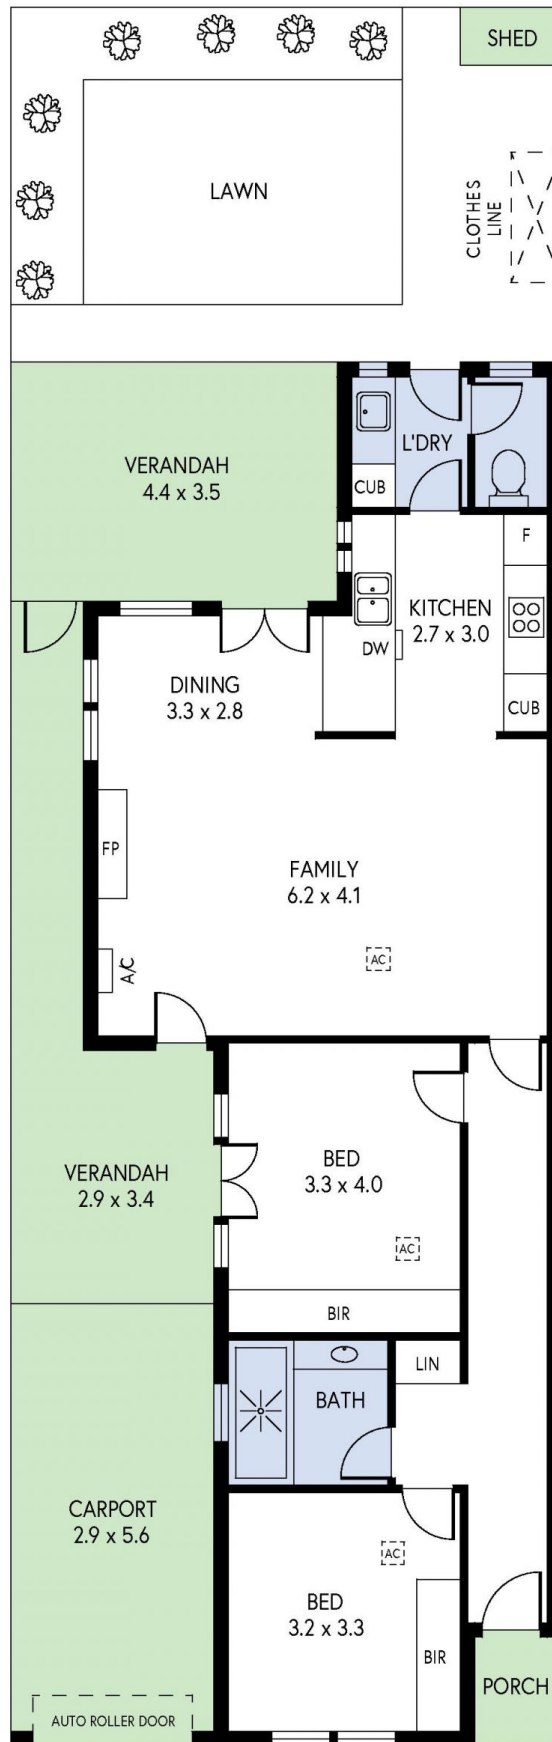

Nestled on a quiet street between Victoria and Beatrice Streets, this eye-catching reproduction Villa homette is one of only two and provides an ideal opportunity to establish a foothold in this sought-after location. Whether you are on the hunt for your first home, in need of a downsizer, a lock-up and leave city base or perhaps considering an investment - this one is sure to tick all the boxes!

Entering from the hallway enjoy 2 spacious bedrooms, both with built in robes, the master is large with French doors opening to private verandah, and both are well serviced by the perfectly central sparkling modern bathroom.
