Please phone to arrange your private inspection.

Nestled in a whisper-quiet pocket between St Peter's College and Hackney Road, this property is only a 20-minute walk to the centre of town through the Botanic Park and Botanic Gardens.

It is obvious that great care, precision and thought have been put into the design and functionality of this 3 bedroom house; quality fixtures and fittings, extensive custom-built cabinetry, and the specialised sugar gum flooring are just a few of the many highlights we love about this property.
